

**Application for Summer Research Appointment
NSF-Nanotechnology Undergraduate Education
Michigan Technological University**

Instructions:

1. Please type or print answers neatly.
2. Attach a letter of recommendation from one MTU faculty or research staff member.
3. Attach a copy of your transcript. A web version is satisfactory.
4. Return to Dr. Jaszczak by March 29, 2004.

Name: _____

Email: _____

Major: _____

Phone #: _____

Circle one designating your current class: Freshman Sophomore Junior

1. Please briefly describe your area of research interest for this summer. If you have contacted any faculty about research or studied their areas of research on the web, describe that here as well.

2. Aside from financial reasons, why do you want to work in a nanotechnology related area of research this summer?
